### Description

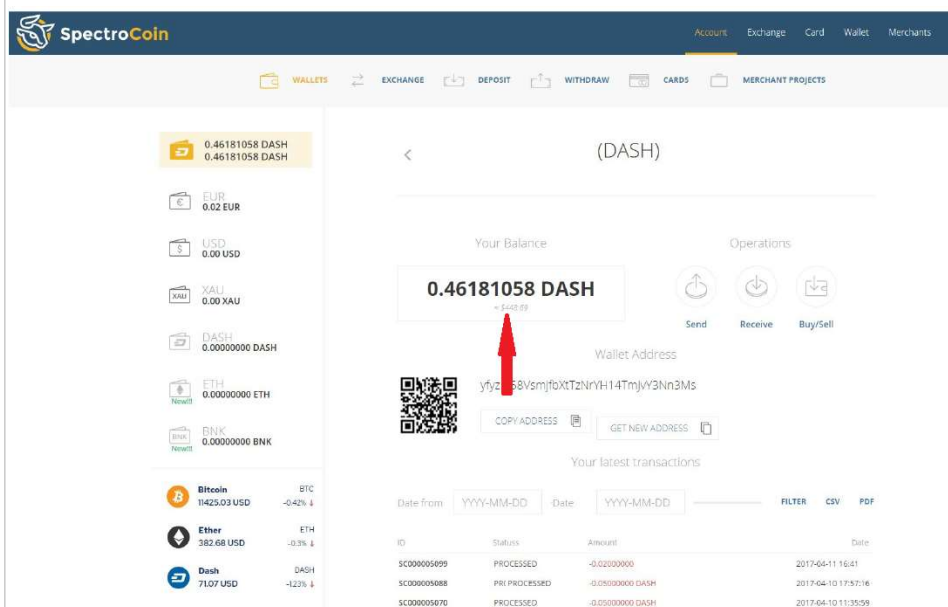

The approximate fiat amount under the DASH amount in Your Balance field is not correct. We can see that the exchange rate at the given moment is 71.07USD/DASH

### Test Steps:

1. Open the "Account" Tab on SpectroCoin website
2. Click on the "Wallets" tab
3. Choose "Dash" wallet

### Actual result:

The approximate fiat amount under the DASH amount in Your Balance field is not correct

The screenshot shows the SpectroCoin website interface. On the left, there's a sidebar with various wallet options: DASH (0.46181058 DASH), EUR (0.62 EUR), USD (0.00 USD), XAU (0.00 XAU), DASH (0.00000000 DASH), ETH (0.00000000 ETH), and BNB (0.00000000 BNB). The main content area is titled '(DASH)' and shows 'Your Balance' as 0.46181058 DASH, which is approximately 32.82 USD. A red arrow points to the DASH balance. Below the balance, there's a 'Wallet Address' section with a QR code and the address yfy2...68VsmjfoXtZnNnIH14TmjvH3Nn3Ms. There are buttons for 'COPY ADDRESS' and 'GET NEW ADDRESS'. At the bottom, there's a section for 'Your latest transactions' with a table showing transaction details.

SC000005070	PROCESSED	-0.05000000 DASH	2017-04-10 11:35:59

### Expected result:

The amount of "Your Balance" in USD should be ~32.82\$ based on the given USD/DASH exchange rate

### Test environment:

OS: Windows 10. Chrome Version 105.0.5195.127 (Official Build) (64-bit).
